There is no need to complete a new agreement if you already have a properly executed license for an earlier version of PVS.

Although not part of the agreement, we appreciate it if you will inform us at `pvs-bugs@csl.sri.com` of any bugs that you discover, and notify us at `pvs-sri@csl.sri.com` of interesting applications you have made of PVS and of any papers or reports describing your use of the system.

GRANT

SRI International ("SRI") hereby grants to ______________________________ *enter business name*
a royalty-free, non-exclusive, non-transferable license under the Licensed IP to use its accompanying, above referenced software program ("Software") and related documentation ("Documentation") upon the terms and conditions set forth below:

Definitions

"Licensed Software" means the Software, and any larger applications in which such Software is incorporated.

"Licensed IP" means all patent claims, copyright, and trade secrets owned or freely licensable by SRI that are embodied in or necessarily practiced by the Software.

"Non-Commercial Purposes" means usage of Licensed Software (a) by an official governmental agency, strictly for non-commercial, public benefit purposes, or (b) solely for non-commercial research purposes in exchange for which no financially valuable consideration (including but not limited to sales or license revenue, service revenue, and advertising revenue, and whether in the form of monetary, equity, or other forms of consideration) is received, except for research funding received from an official government agency sponsor, a non-profit foundation, or similar research funding organization.

You may: (a) use or copy the Licensed Software solely for Non-Commercial Purposes; (b) distribute copies of the Licensed Software solely for Non-Commercial Purposes and only if such copies are distributed free of charge to all recipients (including one copy free of charge to Licensor) and subject to this Agreement. Any copies of Licensed Software distributed under this Agreement must include a copy of the following notice to recipients prominently displayed:

> This software is subject to the SRI International End-Use License Agreement for the PVS (tm) software package (the "License"). You may not use, copy, or distribute this software except in compliance with the License, and except after submitting a signed copy of the License to SRI. You may obtain a copy of the License at `http://pvs.csl.sri.com/license.html` or by sending email to `pvs-request@csl.sri.com`. Software distributed under the License is distributed on an "AS IS" basis, WITHOUT WARRANTY OF ANY KIND, either express or implied. See the License for the specific language governing rights and limitations under the License. Portions of the software are Copyright (c) SRI International. All rights reserved. "PVS" is a trademark of SRI International, a California nonprofit public benefit corporation.

You may not: modify the Software, or decompile, disassemble, or otherwise copy the Software in modified form; or publish, distribute, or transfer copies of the Licensed Software to any third party except under the limited terms set forth above. These examples are by way of illustration, not limitation; except as expressly set forth above (under "You may"), no other license rights are implied or otherwise granted under this License Agreement.

TITLE

SRI retains title, ownership rights, and intellectual property rights in and to the Software and Documentation. The Software is protected by the copyright laws of the United States and international copyright treaties.

The entire risk as to the quality and performance of the Software and/or Documentation is borne by you. Should the Software and/or Documentation prove defective, you and not SRI assume the entire cost of any services and repair. This disclaimer of warranty constitutes an essential part of the agreement.

LIMITATION OF LIABILITY

UNDER NO CIRCUMSTANCES AND UNDER NO LEGAL THEORY, TORT, CONTRACT, OR OTHERWISE, SHALL SRI, SRI'S AGENTS, OFFICERS, ASSISTANTS AND EMPLOYEES EITHER IN THEIR INDIVIDUAL CAPACITIES OR BY REASON OF THEIR RELATIONSHIP TO SRI AND SRI'S SUCCESSORS, BE HELD LIABLE TO YOU OR ANY OTHER PERSON FOR ANY INDIRECT, SPECIAL, INCIDENTAL, OR CONSEQUENTIAL DAMAGES OF ANY CHARACTER INCLUDING, WITHOUT LIMITATION, DAMAGES FOR LOSS OF GOODWILL, WORK STOPPAGE, COMPUTER FAILURE OR MALFUNCTION, OR ANY AND ALL OTHER COMMERCIAL DAMAGES OR LOSSES. IN NO EVENT SHALL SRI BE LIABLE FOR COSTS OF PROCUREMENT OF SUBSTITUTE OR REPLACEMENT PRODUCTS OR SERVICES.

END-USE STATEMENT

Use of PVS outside the USA may be subject to US Government export licensing requirements. The requirements are dependent on the use to be made of PVS. Overseas users must therefore submit with their completed license a statement of the end-use to which they plan to put the software.

If it applies to your use of PVS, we suggest you use the following form of words:

> *PVS will be used to conduct basic and applied research. It is intended that the results of the research will be made generally available, and published should they merit it.*

If your use of PVS will concern something other than research, or if the results will be restricted for proprietary or national security reasons, then please provide explicit details in your end-use statement.

Please write or type your end-use statement below.
